**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I had expensive and slow DSL service from one provider and was able to get a much better deal and better service from another because there was a competitive offering, which couldn't have happened without equal access to phone central offices. Please don't make this impossible. Allow and support broadband competition - that's what produces innovation, ranges of options rather than expensive all-inclusive bundles, etc, etc.

Thank you for your attention.
